

EXECUTIVE BOARD MEETING
DECEMBER 3, 2015

Attendance: Teri Milnes, Susan Miner, Heather Calloway, Jodi Haggen, Nicole Talley

Robyn Johnston attended to discussed the enrichment programs

Robyn has created an enrichment policy – this is a policy for all of the after school enrichment instructors need to go through and follow through with.

Total number in enrichment programs about 100

Wanted to know if it was okay for coffee card for Linda and Cathy out of the enrichment fund for all they have done for the program. \$20 Cathy and \$40 Linda. Jodi motioned to approved. Heather second. All agree.

Teachers and office have lists of where students are supposed to go if anyone is confused after school.

January cutoff date is 3 days before class starts. There will not be any last minute sign ups.

Playground improvements – nothing new
Waiting for the district for further action

Budget - \$700 from proceeds of fall festival to cover 5th grade memory books.

PTO does not cover anything for Mountain School. The cost of Mt. School is covered through the school district– 5th graders will need to fundraise for whatever else they want (i.e. t-shirts).

Possible fundraiser would be Silver beach scarves? Mr. Perigo has information on that if anyone would like to explore.

No volunteer coordinator report

Principal report – nothing

Kids night – been getting over 30 each month.

Meeting adjourned.

Heather Calloway
